9 February 2013

### **President Statement with an overview of SMA achievements in 2012 and Treasurer Statement**

Br Abdul Azeem presented the President's Statement with an overview of SMA achievements during 2012, followed by Br Mursad's presentation on the financial accounts of SMA for the year. Copies of the statements were distributed in the meeting and a copy is attached with this minutes for reference.

### **Sister's Area Extension:**

Br Reza tabled two quotations – one from ISL (15 m<sup>2</sup>) and the other from Howden Construction (21 m<sup>2</sup>). All brothers agreed to build new extension for the sisters' social room. After lengthy discussion it was decided not to use the existing surplus SMA funds which should be kept in reserve for maintenance and any unforeseen expenditure. A major expense of roof replacement is about due now. The new extension will be financed by separate funds that will be raised from local brothers and sisters. Brothers also agreed that we should accept the quotation for the bigger area submitted by Howden Construction limited. Total cost as quoted by Howden Construction is \$34,500 + GST, excluding building consent fees, painting inside and out and floor coverings.

All brothers who attended the AGM have pledged their financial support for this project. Those who were not present in the AGM, are requested through this minutes to contribute generously. We

need to collect the funds preferably by the end of February 2013 and latest before the next SMA Meeting (9<sup>th</sup> Marc 2013). This is necessary to complete the construction before Ramadan. The contributions should be directly credited to SMA Account (03 1745 0104001 00) or alternatively by cash to brother Mursad. The following commitments were pledged in the meeting:

Abdul-azeem	\$5000
Reza	\$12000
Abu	\$500
Zahid	\$500
Tofim	\$200
Sarwar	\$200
